# Lydney Town Hall

In the 1880's, a group of businessmen saw a need for a centre of entertainment for the people of Lydney and District. In 1888, they set to the task of building the Lydney Town Hall that we know of today and formed the Lydney Town Hall Limited completing the building in 1889.

During the First World War the Town Hall was used as the headquarters of a hospital for sick and wounded soldiers. It was manned by Gloucestershire Voluntary Aid Detachment No. 102 and was open from 28th October, 1914 to 28th February, 1919; during which period 3048 cases were treated.

On the 21st September, 1957, to commemorate the 90th birthday of Charles Viscount Bledisloe PC, GCMG, KBE the Town Hall was vested in the Lydney Town Hall Trust for the benefit of the inhabitants of Lydney and District by the Lydney Town Hall Company Limited; and the Lydney Town Council became the custodians and managers. In 2012, the Town Council, as trustees of the Town Hall Trust took the step to hand over management to the Lydney Town Hall Trust Management Committee.

Today Lydney Town Hall is a beautiful, atmospheric Victorian concert and dance hall with sprung wooden dance floor and large parking area. The hall has a comprehensive and flexible range of facilities that can be adapted to suit virtually every occasion including:

> Wedding receptions Private parties & events Business conferences, meetings & receptions Exhibitions Town events. Kitchen equipped with cooking & preparation areas Licensed bar (Chargeable). Car parking for up to 20 cars

For information about availability of hall or meeting room, please contact Judith at bookings@lydneytownhall.com, or on 07762 758301 during the mornings.

# **Plot Synopsis**

Me and My Girl is set in the late 1930s and tells the story of an unapologetically unrefined cockney costermonger Bill Snibson, who learns that he is the 14th heir to the Earl of Hareford, and his newly-discovered aristocratic relations are horrified. Bringing him to Hareford Hall, they attempt to educate Bill into the ways of the gentry and separate him from his cockney girlfriend Sally. The result? Chaos of the most comical kind.

This version of the show, with its revised book by Stephen Fry, was revived in the West End in 1985, where it received two Laurence Olivier Awards and ran for eight years. The same production was revived on Broadway in 1986 for a three-year run and won three Tony Awards.
